Reaching Bolivia with the Gospel of Christ !!

April 2018

Dear Supporting Churches,

I want to offer greetings from Massillon, Ohio. Thank you all for praying for us and for my knee recovery. It is getting better every day. Thank you also for your continual prayers and financial support, without it we could not go forward for the cause of Christ.

We were in Oak Harbor, Ohio this month for a missions' meeting at Grace Baptist Church. It was a wonderful time of fellowship, they truly have a heart for missions. We had an interesting experience on our way back from that meeting. To make a long story short, our tire fell off our van and we had to be towed to a nearby town and get the van repaired the next day. Praise the Lord, His hand of protection was on us and we were all safe. An added blessing came in the form of Frank, our tow truck driver, who accepted Christ as his Savior. I also will be graduating in May from Massillon Baptist College. We have answered prayer as well, God has supplied a vehicle for us for deputation. We have several meetings and missions' conferences scheduled for the latter part of this year. Please continue to pray that God will fill in the open spaces in our calendar with missions-minded churches.

I have been preaching several times a month at a juvenile correctional facility. Souls are being saved. I would also like to ask you to pray for the country of Bolivia. The government there is expected to pass a law that people cannot evangelize openly. The punishment would be five to twelve years in prison.

In Christ,

The Hollis Family to Bolivia
