

The Hollis Family to Bolivia

Reaching Bolivia with the Gospel of Christ !!

April 2019

Dear Supporting Churches,

Greetings from the deputation trail. We have had several meetings already this month and are looking forward to what God has in store for us. It has been a blessing to see souls saved in some of those meetings. God is so good and has supplied for our needs as we travel from church to church. We had a cancellation in our schedule, but the Lord supplied another opportunity to present our ministry. This month will see us in Michigan, Maryland, North Carolina, and Ohio. The spring weather has brought many beautiful sights for us to see along the way.

Deputation has brought us so many things to be grateful for. Our children may not have some things that “normal” kids have but they have so much more in serving God. Our field trips are not limited to the city in which we live, but can be local to the places where we are. We took a homeschool field trip to our nation’s capital, Washington, D.C. just because we were a short drive away for a meeting. Being able to see where so many parts of our government began and took place brought the history that they learn every day to life. Another meeting took us to North Carolina where we were able to show them more historical and geographical points of interest. Deputation is not just about meetings and support, although those things are very important. It is also about preparing our hearts to see the blessings of where God takes us, not concentrating on those things we might be missing.

Thank you for all your prayers. Please continue to pray for my back as it heals. Please also pray for our safety and ministry as we travel and that the Lord would work out the details of our arrival to Bolivia in September. Pray for the country of Bolivia and that the hearts of the people there might be softened to the Gospel.

In Christ,

The Hollis Family to Bolivia
