

The Hollis Family to Bolivia

Reaching Bolivia with the Gospel of Christ !!

August/September 2020

Dear Supporting Churches and Praying Friends,

Greetings from Mississippi. Thank you all for your continued prayers and support. We have had safe travels and good health while here. We are glad to report that Ann Marie got to college with no major mishaps and is doing well in her classes so far. Please continue to pray for her as we will be heading back to Bolivia on October 4th, arriving in Tarija on October 5th. God has been good to us and we are looking forward to getting back to the field.

Things are slowly beginning to open up in Bolivia. Limited flights are going now. People are able to go out mostly Monday through Friday. Some religious meetings are allowed but with many restrictions enforced. Progress comes one step at a time. When we return to Tarija, we hope to purchase a vehicle for our family and ministry so that we may be more mobile. The barrio where we would like to start a work is about half an hour from our house. God has supplied the location and the people who are wanting a church, we have no doubt He will supply the resources with which to proceed. Presidential elections are set to take place on October 18th. If you remember, this is what we arrived to last year and it led to a very uncertain few months.

Again, thank you for your prayers. We are grateful for praying friends and churches. Please pray for good health and safety as we return to the field. Please pray that God would supply the rest of the funds in order to purchase a vehicle and a plot of land on which to build a church. Thank you for those who have already given to this need. Please also pray for peace during this time of unrest. Thank you for these and the many other prayers you pray for us.
