Reaching Bolivia with the Gospel of Christ !!

December 2019

Dear Supporting Churches and praying friends,

Greetings from Bolivia. We hope to always bring you “goods news from a far country” as it says in Proverbs 25:25. Language school is going well. We praise the Lord that we now all have 3-year residency visas as missionaries to live here. It has been an adventure navigating the red tape of the governmental processes. We are seeing souls saved regularly in the services.

It was a good first Christmas here in Bolivia. No matter where you are, it is good to focus on the reason for Christmas, to celebrate our Savior’s birth. It has also been interesting seeing the difference in how Christmas is celebrated in the United States and here in Bolivia. Some traditions we have found are that everyone shoots fireworks at midnight on Christmas Eve and panetone is a treat enjoyed around Christmas. It is a bread with jellied fruit in it.

A new temporary president has been established and the government is working on scheduling the new elections. Please continue to pray that the government that will be established at that time will be favorable for missions here. It has been a great year for the ministry God has placed us in. We are anticipating great days ahead in 2020. God is blessing and we are thankful to be a part of it all. Thank you for your prayers and please know that you are in our prayers as well. Happy new year from our family to yours.

Please continue to pray for us in language school as our grasp of the language will determine our effectiveness here in the ministry. Please pray for the ministries and people here that the Bolivian people will be receptive to the Gospel.

In Christ,

The Hollis Family to Bolivia
