Reaching Bolivia with the Gospel of Christ !!

January 2019

Dear Supporting Churches,

Greetings from the deputation trail. Well, 2018 was a wonderful and busy year for us. Some of you may have heard that I was injured in a car wreck in December. Thank you for your prayers. I broke three bones in my spine. We were hit head-on by a drunk driver. There were minor injuries for the three of us who were in the vehicle. Praise the Lord, it looks like there will be no surgeries needed, just rest and care with our movements. The driver was not so fortunate. He had many broken bones. The wreck could have been much worse, but God's hand of protection was upon us. God is good and has allowed us to be able to keep our scheduled meetings.

We are excited to see how the Lord is going to work in our lives and ministry in 2019. We are starting the year off with several meetings in January. The meetings are mostly in the north and the winter weather has made getting to them very interesting. We have had the privilege to see several souls saved as we witness in our travels and in church services. We should witness wherever we are. The Bible says in Mark 16, "Go ye into all the world, and preach the Gospel to every creature." We should be telling people about our Lord and Savior wherever we go, no waiting to until we get to the mission field or a certain time of the week.

We have some praises to report. I should not need surgery for my back. I will find out in February at a follow-up appointment. We were taken on for support by two more churches since the beginning of the year. The Lord has protected us during our travels this winter.

Thank you for your prayers. Please continue to pray for us, our safety, and that God will provide the support He wants us to have to get to Bolivia in His timing. Please pray for healing for my back and a favorable outcome at my follow-up appointment with my orthopedic doctor in February. Please pray for the drunk driver and his recovery following the wreck as well. As always, please pray for the hearts of the people of Bolivia, that their hearts will be softened to the truth of the Gospel.

In Christ,

The Hollis Family to Bolivia
