

# The Hollis Family to Bolivia

Reaching Bolivia with the Gospel of Christ !!

July 2018

Dear Supporting Churches,

Greetings from the deputation trail. We are currently at our home church for a short time and enjoying being able to fellowship with our church family. It is nice to be home.

My graduation in May went well. It was great to be a part of the 2018 commencement services for Massillon Baptist College. We had a meeting at Fellowship Baptist Church in May and they voted to take us on for support that night. What a blessing! We enjoyed meeting and getting to know many of their church members. The Lord has been moving in that church recently.

In June, the Lord answered a prayer for us and gave us a recreational vehicle (RV motorhome) that we can live in and use as a home base while on deputation. We are all very excited about it. It has been a blessing to our family. We were able also in June to help a church that does not have a pastor right now with their Vacation Bible School. That small church gives their VBS offering to missions each year and this year they raised over \$2000.00 for the cause of Christ. Please be in prayer for Salt Fork Baptist Church that God would bring them the pastor that He has for them. There were seven professions of faith at their VBS as well. God is good all the time!

Please pray for us as we make the transition to full-time deputation on the road. We will be at The Sword of the Lord Conference in Walkertown, North Carolina the end of July and have three meetings scheduled for Ohio in August. Please pray that God will continue to fill the openings in our schedule in the future and that we will continue to gain prayer and financial support in order to reach the country of Bolivia in September 2019. Also, as an update, the country of Bolivia did not pass the penal law for evangelism. People are still able to share the Gospel publicly. Praise the Lord!

In Christ,

The Hollis Family to Bolivia
