Reaching Bolivia with the Gospel of Christ !!

July 2019

Dear Supporting Churches,

Greetings from the deputation trail. I greatly appreciate your continued prayers and support. Praise the Lord another church has added to that support, both prayerfully and financially. In our last update to you, we were preparing to buy our plane tickets. I am happy to report that we have since purchased our plane tickets. Additionally, a need I was not aware of until recently concerning our documentation has been met. After finding out that our documents needed to be translated into Spanish, the Lord directed us to a certified translator in our home state that is translating all our important documents. Along with these praises, I also had the opportunity to witness to and lead to Christ several individuals we have met in our travels.

As earlier stated, our plane tickets have been bought and we are eagerly awaiting our departure on September 23, 2019. We have begun the process of gathering our documents and applying for our specific purpose visas, which allows us to live there, rather than just being able to visit. This is an exciting step because it puts us closer to working for the Lord in Bolivia. We are now excitedly preparing to move to Bolivia and begin setting up our ministry there. I would like to thank the two churches who have graciously donated their VBS offerings to furthering our ministry here and in Bolivia.

Please continue praying for us as we endeavor to complete our documentation process, and also pray for financial provision as we prepare to make the move to Bolivia. We ask that you continue praying for our safety and the Lord's blessing as our final meetings approach in August. Please know that we often think of you and pray that the Lord will bless your ministries.

In Christ,
