

# The Hollis Family to Bolivia

Reaching Bolivia with the Gospel of Christ !!

June/July 2020

Dear Supporting Churches and Praying Friends,

Greetings from the States. Yes, you read correctly. We are stateside. After nine sets of canceled and moved flights, the Lord connected us with a missionary pilot with a small plane who helped us to connect with a repatriation flight back to the United States. Thank you for your prayers and support. During this time, we are now preparing to take our daughter to college this fall.

The quarantine has been extended another month in Bolivia. The government and people there expect it to continue for several months more. Before our exciting exit, we were in Bolivia still serving where God gave opportunity. Church services and public gatherings are still prohibited. Masks are required everywhere. We even went through an encapsulation period for fourteen days where no one was allowed to leave their house at all.

Through this time, and with police permission, we have been able to provide food for over 2000 families with the help of several American churches. The Gospel was given with each meal or bag of food and through this, we saw hundreds saved. We came to call this our "quarantine ministry." During this ministry, we came in contact with a neighborhood called Primavera. The Lord opened a door there and by His grace, we plan to start a church there when we return in the beginning of October.

Since we arrived back in the States, we have been able to be a part of several church services in a few different churches and have seen eight souls saved. It is encouraging to see people reached and souls saved during this time. It is a reminder that God can use anything and anybody for His glory.

Please pray for us as we take our oldest child, Ann Marie, to college and for her as she begins her first year of college. Please pray for the people for Tarija Bolivia and the neighborhood of Primavera, that the Lord would continue to give increase and enable us to plant a church there when we return in October. Please also pray that the Lord would supply a vehicle for us in Bolivia and a plot of land in Primavera on which to meet. Please consider giving towards those needs if you are financially able. Thank you for your continued prayers and support. Without you sending, we would not be able to go. We pray for you all regularly and praise the Lord for you.

In Christ,

The Hollis Family to Bolivia
