Reaching Bolivia with the Gospel of Christ !!

May 2020

Dear Supporting Churches and Praying Friends,

Greetings from Bolivia. We thank you for your prayers, encouraging words, and support. It is day 65 of total quarantine here. As of now the quarantine is set to end May 31<sup>st</sup>, but it looks as if it may be extended as the number of positive cases continues to rise.

We have only left our house to do essential shopping and to give food to needy families in various communities or “barrios.” It has been a blessing to be able to have an “olla comun” or community pot in two barrios, Barrio 4<sup>th</sup> de Marzo and Barrio Primavera. An “olla comun” is a meal prepared for the entire barrio. Each family brings a pot and a pitcher for their food and drink. We were able to have a part in providing and preparing a meal every day for a week for each barrio. Going every day enabled us to get to know many people in the barrio and then witness to them. Over the two-week period, we saw over seventy people trust Christ as their Savior. We also were able to give out over sixty Spanish Bibles. We have also been able to give bags of groceries to many families here. Thank you to the churches and individuals who have given to make this quarantine ministry possible.

Please pray for safety and health for our family. Please also pray for God to open doors and hearts here. We are serving however we can and trusting God’s timing for the quarantine, COVID-19, and our short trip to bring our daughter back for college when the borders open and the flights resume. You all are in our prayers daily. We love you and thank you for your continued support and prayers.

In Christ,

The Hollis Family to Bolivia
