Reaching Bolivia with the Gospel of Christ !!

November 2019

Dear Supporting Churches,

Greetings from Bolivia. We bring you good news from a far country as it says in Proverbs 25:25. We have finally been able to start language school at the beginning of this month. It is going well; we are learning a lot. I also was able to write my first sermon in Spanish, with the help of Google translate. We have been blessed to see souls saved here and I even performed my first baptism here in Bolivia. Praise God! I have been able to help with some construction and electrical projects in the churches here, as well.

The blockades are now officially over and the danger has been mostly centered in the largest cities. We have been able to get out a bit and restock our food and supplies. A new president has been elected and one of her first actions was to call for new elections. This is what the people of Bolivia wanted from the start, free and fair elections. It has been very interesting watching a country's revolution from the inside.

We are still waiting on mine and the kids' visa to be approved. Please pray that they will come quickly and with no more delays. Please be in prayer for us about purchasing a vehicle also. Some of the money we were saving to purchase a vehicle had to be spent on the visa process. Please continue to pray for the Bolivian people, that their hearts will be softened to the Gospel. Ecclesiastes 4:9-10 is an encouragement to us because it is a blessing to know we are not alone. We have you all praying for us. You are in our prayers as well.

In Christ,
